

PRAYER BEFORE CONSULTING THE AKASHIK RECORDS

Divine Spirit, God, and Creator Of The Entire Universe, hear me.

Tune my spirit to the vibrations of the Eternal. Grant me the ability to see what I must see, hear what I must hear, know what I must know, and learn what I must learn.

Make me unafraid. Let all that takes place be for my good, be holy and be blessed.

Help me focus my whole being on this holy work, my heart, my mind and my attention. Let me leave the world behind for this brief space of time, as I am bought into the presence of the Story of All Time.

Help me to understand myself as the Akashic Records are revealed to me. Give me patience to understand the messages they reveal.

Help me to understand others as the Akashic Records are revealed to me. Give me willingness to hear their messages.

Let me hear my Masters, my Teachers, and my Loved Ones, knowing that they wish me only good. Let everything I hear here today be for my good.

Let me always rest my faith and trust in your Holy Spirit, oh God.

Amen

I thank the Holy Spirit of God for all that I have learned today.

I thank you for all that has been revealed to me today.

I thank all of the Master, Loved Ones and Teachers who gave me their loving attention today.

I pledge to use the knowledge I have gained only for good purposes.

The Records are now closed for this time. I ask that they be opened to me again as is to my good and benefit.

The Records are now closed.

Amen, and again I say Amen.
